Labor Day may signal the end of summer, but this coastal contemporary **Aubuchon Home** has me thinking about sun and fun!

Here are a few things that stand out about this custom [Windsor](#) floor plan.

Crisp, white cabinetry pops against honey colored wood floors

Cornered pocketing sliding glass doors that blur the line between outdoor and indoor spaces

Sand color palette and a walk-in shower with a full wall of glass.

Aubuchon Homes offers a wide variety of floor plan sizes, styles and designs customized to your exact needs. As a New Home Specialist, I can help you find the right home right where you want to be. Call me today and we can schedule a tour of Aubuchon Homes models, finished homes, and homes under construction so you can see first hand the quality that comes from a company who's been building homes in Southwest Florida for more than 25 years.
