A DREAM HOME built 2007 by Ferrell Builders. The Layla Model rests on a beautiful lush landscaped lot in prestigious SW Cape Coral. From outside to inside serious & expensive upgrades offer extra quality and protection; HIGH IMPACT WINDOWS AND DOORS provide storm protection & peace of mind. The attractive exterior begins w/elegant architectural lines, lush landscaping and full paver driveway. Easily store your belongings inside a generous 27'x22' 3-CAR GARAGE. Once inside, the CUSTOM FRONT DOORS, voluminous ceilings, 20" ceramic tile laid diagonally, big open floor plan, with 12' wide, 8' bank of sliders cast your view past the large lanai to a privately hedged Areca palm garden lawn.
