

Aubuchon Now Building Their New Cape Coral Model Home The Mandolin

We're very excited to announce that we've started building our newest Cape Coral Model Home...

...The Mandolin!

The Mandolin is named after the canal on which it is situated – this fresh, chic coastal home is the newest addition to The Aubuchon Team of Companies and is scheduled to be completed in January, 2012. Highlighting the relaxed Florida lifestyle with hints of the ocean, boating, palm trees, and vibrant colors, you won't want to leave!

It's located right behind our [Cape Coral Real Estate Information Center](#), at the foot of the Cape Coral bridge (address is 1811 Cape Coral Parkway E).

Some of the key features of The Mandolin are:

1. Elegant front entry.
2. Spacious great room for entertaining guests and family.
3. Expansive work space/gallery.
4. Super-sized outdoor living area, perfect for parties and holidays!
5. Cutting edge kitchen design features a huge bar and prep area.
6. Spa style master bath combines luxury and tranquility.
7. Oversized garage to allow for additional storage.
8. Wide open spaces throughout allow for amazing views of the water.

This home offers 2540 sq ft of air-conditioned living space starting in the mid \$300's. Be sure to stop by and watch our builders in action – we look forward to seeing you!
