Tarpon Point Marina is a resort-style community featuring five unique residential villages of single family estate homes, coach homes, and condominium towers. These distinct neighborhoods are sculpted within the community's waterways, preserves and canals, taking full advantage of its spectacular setting at the southern tip of Cape Coral where the waters of the Caloosahatchee River and Glovers Bight empty into San Carlos Bay and the Gulf of Mexico beyond. The focal point is an existing deep water marina offering direct access to the Gulf of Mexico.

Tarpon Point Marina also features The Resort at Marina Village Residents Club, a waterfront retail village with a 19 story luxury Residents Club, offering 1/12 fractional ownership and with resort and hotel services featuring waterfront restaurants, shopping, Esterra Spa and Salon. Daily boat shuttle to Fort Myers Beach, boat and Kayak rentals, charter fishing services, ship store and Harbor Master, Captains lounge.
