### **Greetings!**

Last month's Nights on the Parkway was such a "HUGE" success that Cape Coral's largest citizen, Big John, will be returning home after time away for "vacation" just in time to celebrate Nights on the Parkway on Friday November 18th 5:30 p.m. you are invited to gather with the City dignitaries, family and friends to welcome Big John and celebrate his return. The Big John icon has been part of Cape Coral since 1969

Nights on the Parkway is a new event that occurs from 6pm to 9 pm on the third Friday of every month. Organizers say Nights on the Parkway will incorporate a variety of entertainment and unique vendors, and give attendees a one of a kind experience.

Each month many of the businesses along Cape Coral Parkway extend their hours, giving those who attend the opportunity to browse the many shops and special businesses that populate the South Cape district. There will also be a diverse group of local entertainers at selected locations on the sidewalks of the Parkway from Vincennes Boulevard to Cape Coral Street, as well as on SE 47th Terrace, all around Big John's Plaza. Entertainment includes everything from music, artists, dance and much more.

The event is also be something for the entire family to enjoy. While adults are browsing the individual businesses, there will be face painting, clowns and other activities for children. The November 18th "Nights on the Parkway" will Kick Off the " Raffle."

Be there to share in the festivities, and to be able to say, "I was there when Big John returned in 2011!"

**Sincerely,**
