

A STEP IN THE RIGHT DIRECTION

Last night the Lee County Board of County Commissioners voted to reduce road impact fees 27%, effective immediately. This is a major step in the right direction to create jobs in our industry and to enhance economic development in Lee County. Big thanks to the large number of Lee BIA Members who attended and filled the commission chambers last night. It is cooperative actions like this that prove that BIA members have a united and strong voice in the future of Lee County.
